Portfolio

Professional Summary

Information Technology undergraduate with hands-on experience in Python and web development, along with a strong foundation in JavaScript, React.js, HTML, and CSS. Skilled in developing responsive web applications, applying object-oriented programming principles, and solving problems using Data Structures and Algorithms. Seeking opportunities to contribute to software development projects while developing skills in Full-Stack Development and emerging AI technologies.

Education

Bengal College of Engineering and Technology , Durgapur, West Bengal	2023 – 2027 (Expected)
B.Tech in Information Technology	CGPA: 7.8
Tata DAV School	2021 – 2022
Higher Secondary	73.8%
Doon Public School	2019 – 2020
Secondary Education	83.6%

Experience

Full-Stack Developer Intern – Skill Nexis	Aug 2026 – Present
- Contributed to practical Full-Stack Development tasks as part of a MERN stack internship. - Developed and enhanced software solutions while applying frontend and backend development concepts. - Strengthened hands-on experience in web application development, debugging, and problem-solving.	

Projects

Personal Portfolio Website	React.js, HTML, CSS
- Designed and developed a responsive personal portfolio to showcase projects, technical skills, and achievements. - Implemented a clean, user-friendly interface optimized for both desktop and mobile devices. - Deployed the website on Render with accessible links to showcased projects and technical work.	
AI Resume Analyzer	Python, AI/ML
- Developed a resume analysis application that evaluates resumes and provides ATS-focused improvement recommendations. - Implemented resume parsing and keyword matching to identify relevant skills and skill gaps. - Built an interactive React.js interface for resume analysis and results visualization.	

Technical Skills

Languages: Python, JavaScript

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Django

Database: MongoDB

Core Concepts: Data Structures and Algorithms, Object-Oriented Programming

Tools: Git, GitHub, VS Code

Certifications

In-Depth Python for Beginners Course – GeeksforGeeks	Feb 2025
Deloitte Data Analytics Job Simulation – Forage	Jul 2025

Achievements & Activities

- Winner – Basketball Competition, Parakram 2024.
- Volunteer – National Service Scheme (NSS).
